

I Like It

Foxy Shazam

Big magic woman
Oh you got me
Under your spell
You hypnotize
Me with your hips and thighs
I wear these shades
So when I stare
No one can tell
So c'mon!
(c'mon, c'mon, c'mon)
Show me a little more
(c'mon, c'mon, c'mon)
That's the biggest black ass I've ever seen
And I like it, I like it
That's the biggest black ass I've ever seen
And I like it, I like it, a lot
My gangsta girl
With the wavy curl
And a sexy
Street talkin' slang
You mesmerize
Me and you mess with I
When you booty pop and drop it
Like it aint no thang
Ha!
(c'mon, c'mon, c'mon)
Show me a little more
(c'mon, c'mon, c'mon)
That's the biggest black ass I've ever seen
And I like it, I like it
That's the biggest black ass I've ever seen
And I like it, I like it, a lot
That's the biggest black ass I've ever seen
And I like it, I like it
That's the biggest black ass I've ever seen
And I like it, I like it
That's the biggest black ass I've ever seen
And I like it, I like it
That's the biggest black ass I've ever seen
And I like it, I like it, a lot
That's the biggest black ass I've ever seen
And I like it, I like it

That's the biggest black ass I've ever seen
And I like it, I like it
