Smoke On the Water

Deep Purple

We all came out to Montreux

On the Lake Geneva shoreline To make records with a mobile

We didn't have much time

Frank Zappa and the Mothers

Were at the best place around

But some stupid with a flare gun

Burned the place to the groundSmoke on the water, a fire in the sky

Smoke on the water

They burned down the gambling house

It died with an awful sound

Funky Claude was running in and out

Pulling kids out the ground

When it all was over

We had to find another place

But Swiss time was running out

It seemed that we would lose the raceSmoke on the water, a fire in the sky

Smoke on the water

We ended up at the Grand Hotel

It was empty, cold and bare

But with the Rolling truck Stones thing just outside

Making our music there

With a few red lights, a few old beds

We made a place to sweat

No matter what we get out of this

I know, I know we'll never forgetSmoke on the water, a fire in the sky

Smoke on the water
