

# No Plan B

## Manafest

I drop in with my face to the wind  
Spin 180 for the win  
But I cant find my feet its like I lost the beat  
Mid air and theres no plan Bs  
Hit the streets, Look before I leap again,  
Skeleton filled with Adrenalin  
How can I know that I got what it takes?  
When Ive come so far, through the rain  
Bear the pain Makes no difference now  
Face myself or get taken out  
One more time got to live this loud  
Back to the wall no turning around)  
Its too late Its my fate  
I cant turn around  
Theres no fear, in the mirror  
To hold me down  
Im too far, from the start  
Now Im in too deep Ive got to stick to the plan  
Cause theres no Plan B No turning back (No plan B)  
Theres no other path, (No plan B) And I know that this road is my destiny  
Ive got to stick to the plan  
Cause theres no plan B Get a shot, for the top on my soap box  
Pop a zit go sing let my tunes talk  
Cool kid, and Im in the mood  
Give me combo number 2  
Whats up wich you?  
Dude you look scared to me, better take a chair  
Before you fail to see, A to Z like 3 times 3  
Its the basics, homie embrace it  
Come on! Take the shot dont waste the clock  
March to the drum of the #1 spot  
Born for this, victorious  
Storms break off so glorious Its too late Its my fate  
I cant turn around  
Theres no fear, in the mirror  
To hold me down  
Im too far, from the start  
Now Im in too deep Ive got to stick to the plan  
Cause theres no Plan B No turning back (No plan B)  
Theres no other path, (No plan B) And I know that this road is my destiny  
Ive got to stick to the plan  
Cause theres no plan B All I know is I cant turn back, all I know is I cant turn back

Got to leave it in the past, got to leave it in the past.  
All I know is I cant turn back, all I know is I cant turn back  
Got to leave it in the past, got to leave it in the past.Cause this is the only road Ive ever known,  
Theres no way that I could start again, AgainIts too late Its my fate  
I cant turn around  
Theres no fear, in the mirror  
To hold me down  
Im too far, from the start  
Now Im in too deepIve got to stick to the plan  
Cause theres no Plan BNo turning back (No plan B)  
Theres no other path, (No plan B)And I know that this road is my destiny  
Ive got to stick to the plan  
Cause theres no plan B
