

Fake Empire

The National

Stay out super late tonight picking apples, making pies
Put a little something in our lemonade and take it with us
We're half awake in a fake empire
We're half awake in a fake empire Tiptoe through our shiny city with our diamond slippers on
Do our gay ballet on ice, bluebirds on our shoulders
We're half awake in a fake empire
We're half awake in a fake empire Turn the light out say goodnight, no thinking for a little while
Let's not try to figure out everything at once
It's hard to keep track of you falling through the sky
We're half awake in a fake empire
We're half awake in a fake empire
