

The Greatest

Alabama Shakes

Well I live to be the greatest
I only ever want to be your baby
[?] arms
Don't ever let me go
Should I I stay, stay and wait
I know you ain't out there tryin' to be my baby
God, help us, help us out
Don't ever let me down I stay, stay and wait
I know you ain't out there tryin' to be my baby
God, baby, in your soul
Don't ever let me go
I could be your one and only
[?] be the greatest
I know you ain't out there tryin' to be my baby
Come on, love me, come on
If you could do anything
