

# You're the One (Remastered Version)

Dwight Yoakam

You're the one  
You're the one  
That made me cry  
Oh you're the one  
That laughed at me  
Then said goodbye  
You're the one  
You're the one  
That made me blue  
So how's it feel  
Now that you're the one  
Its happened to  
Now you're back calling me with open arms  
What happened to the one you met with all that charm  
You say he's gone  
And you're alone  
Well that's a shame  
But if you think real hard  
I know you'll see  
Just who's to blame Now you're the one  
You're the one  
That made me cry  
Oh you're the one  
That laughed at me  
Then said goodbye  
You're the one  
You're the one  
That made me blue  
So how's it feel  
Now that you're the one  
Its happened to  
You're begging me to think about the love we shared  
Yet it seems to me not too long ago, you didn't care  
The love you left  
No longer lives  
Within my heart  
See the game you played  
So recklessly  
Tore it all apart And you're the one  
You're the one  
That made me cry  
Oh you're the one

That laughed at me  
Then said goodbye  
You're the one  
You're the one  
That made me blue  
So how's it feel  
Now that you're the one  
Its happened to Oh tell me how's it feel, now that you're the one  
How's it feel to be the one  
How's it feel now that you're the one its happened to You're the one  
Oh, you're the one  
You're the one  
Oh you're the one  
Your the one  
Oh you're the one  
yeah you're the one  
Oh you're the one  
Oh you're the one
