

# A Feast for the Vain

## Kamelot

[Mephisto]  
Everyone is here  
The feast can soon begin  
Vanity we celebrate  
My favourite of sins[Ariel]  
Chandeliers so grand  
That heaven sees the shine  
And my friend declares  
Everything I look at could be mineIt's a miracle  
Life till now has been a waste  
You have proved to me  
By your hand I'm truly graced  
Unbelievable  
Gold and glitter blinding me  
So adorable  
All these women from my fantasies  
[Mephisto]  
Come with me my little ones  
Let's revel for the free  
Raise your glass and praise the fact  
How easy life can be[Ariel]  
In the splendour of the night  
I've found company  
Once again I feel that life's begun  
All the wrongs seem to be right  
Drowned in ecstasy  
Every star is like a newborn sunIn the splendour of the night  
I've found company  
Once again I feel that life's begun  
All the wrongs seem to be right  
Drowned in ecstasy  
Every star is like a newborn sun  
May the life I knew be gone  
I accept the deed  
But one point we have to modify  
If I wish to linger on  
In a state of still  
Only then I'm yours the day I die
