

# Alabama High Test

## Old Crow Medicine Show

Alabama high test... got me in a big mess  
Higher than a wild cat... runnin from the wolfpack  
They're gonna put me in the slammer  
if they catch me with that Alabama high test  
65 southbound, cruisin with a half pound  
Blue lights spinin round, better put the hammer down  
Dirt road Tennessee, Aint nobody stoppin me  
Short run, state line, gotta keep makin time  
Alabama high test...  
Huff paint, cocaine, playin chicken with a train  
Smack dab, Meth lab, mellow out, rehab  
Percocet, cigarette, I don't need no more of that  
just gimmie some down home Dixie fried homegrown  
Alabama high test...  
Alabama High Test... Alabama high test... got me in a big mess  
...runnin from the wolfpack  
They're gona put me in the slamer  
if they catch me with that Alabama high test  
Drug bust, disgust, plead with the cucuit judge  
"Son dont be coy, send you up the river Boy"  
Jump suit, chain gang, shackles on my feet and hand  
Standin on I-65 wishin I was rolling by with  
Alabama high test  
Alabama High Test... Alabama high test... got me in a big mess  
Higher than a wild cat... running from the wolf pack  
They're gonna put me in the slammer  
if they catch me with that Alabama high test
