Korn

How did it start?
Well, I don't know
I just feel the craving I see the flesh and it smells fresh and
It's just there for the taking
These little girls they made me feel so god damn exhilarated I fill them up, I can't give it up
The pain that I'm just erasing
I tell my lies and I despise Every second I'm with you
So I run away and you still stay
So what the fuck is with you? Your feelings
I can't help but rape them
I'm sorry, I don't feel the same
My heart inside is constantly hating
I'm sorry, I just throw you away.
I don't know why I'm so fucking cold
I don't know why it hurts me
All I wanna do is get with you
And make the pain go away
Why do I have a conscience?
All it does is fuck with me Why do I have this torment?
All I wanna do is fuck it away.
I tell my lies and I despise Every second I'm with you
So I run away and you still stay
So what the fuck is with you? Your feelings
I can't help but rape them
I'm sorry, I don't feel the same
My heart inside is constantly hating
I'm sorry, I just throw you away.
I tell my lies and I despise
Every second I'm with you
And I run away and you still stay So what the fuck is with you?
Your feelings
I can't help but rape them
I'm sorry, I don't feel the same
My heart inside is constantly hating
I'm sorry, I just throw you away.
I just throw you away
I just throw you away
I just throw you away
I just throw you away.
