

# Spending My Time With You

Toni Braxton

I used to date and never fall in love  
Just lookin' for an experience  
Spending my time wasting it foolishly  
Exploring my possibilities  
But then one day I ran into you  
You gave me feelings I never knew  
I'd like to spend my weekends with you  
And weekdays too  
Wouldn't that be cool  
I think I'm fallin' in love with you  
So I'll be spendin' my time with you  
There's nothing I'd rather do  
I never had a lover like you  
That makes me feel like the way that you do  
You said you wanted to be serious  
So speak to me cause I'm curious  
To know exactly how you feel inside  
And feel your sweet body touchin' mine  
Cause there's so many things we can do  
You give me feelings I never knew  
I'd like to spend my weekends with you  
And weekdays too  
Wouldn't that be cool  
I'm fallin', fallin', falling in love with you  
So I'll be spendin' my time with you  
There's nothin' I'd rather do  
I never had a lover like you  
That makes me feel like the way that you do  
You gave me love  
And baby, there's nothing better  
Than the love you've given to me  
Let me show you how much  
I really care for you  
Day and night  
I'll treat you right  
That's all I want to do  
So I'll be spendin' my time with you  
There's nothing I'd rather do  
I never had a lover like you  
That makes me feel like the way that you do
