

# Stay On (feat. Nick Hexum)

## Sugar Ray

My mind is spinning  
Don't you know  
That I'm outta control  
I don't need you to tell me so  
Again you're winning  
Don't you know  
That it's taking its toll  
I don't need you (2 x)  
Is it me'. that you're looking for?  
Mmmm, that you're looking for, that you're looking for  
Is it me'. walking out the door  
Walking out, walking out  
I be like chorus Mmmm, I be like  
Stay up, stay on  
She only wants to see me break down  
Stay up, stay on  
Yeah  
Stay up, stay on  
She throws out the little cut-downs  
Don't it seem absurd?  
Yay ahhh'  
end of chorus  
In the beginning, don't you know  
I thought I was in control  
I don't need you to tell me so  
The dirty linen  
Don't you know?  
Is beginning to show  
I don't need you (2 x)  
Is it me'. that you're looking for  
Ahhhh, that you're looking for, that you're looking for?  
Is it me'. walking out the door  
Walking out the door  
I'll be like  
chorus  
Mmmm, I'll be like  
Stay up, stay on  
She only wants to see me break down  
Stay up, stay on  
Yeah  
Stay up, stay on  
She throws out the little cut-downs

Stay up, stay on (Don't it seem absurd)  
Yay ahhh'  
end of chorus  
You fight all night but you don't get it right  
So you drink ten beers 'cause you don't wanna hear about  
Fight all day but the feelings only stay  
But there's nothing you can do 'cause she doesn't like you  
Just when you get warm she pulls off the covers  
And she leaves and goes straight for her mothers  
That's when you wanna look her right in the eye and you hear her say goodbye  
Goodbye (10x)  
I be like  
Stay on, stay on  
She only wants to see me break down  
I'm the last to have heard  
Yeah'  
Stay up, stay on  
She throws out the little cut-downs  
Don't it seem absurd  
Yay ahhh'  
Stay up, stay on (3x)  
Stay on, on, on  
Huh!  
Don't every time we meet at this function junction  
Not gonna believe the assumed presumption  
Wanna talk it out, but it's not gonna be necessary  
She's not so fragile, she plays the mercenary  
Mercenary'nary, nary  
Stay up, stay on  
She throws out the little cut-downs  
Stay up, stay on (2 x)  
Never say goodbye (2 x)  
Stay up, stay on  
Stay up, stay on
