

# Missing You Like Crazy (feat. Dru Hill)

Keith Sweat

When we're not together I think about you all the time  
I keep your picture in my wallet to remind me that you're mine  
Life is not worth livin' unless you're right here by my side  
I'll love you now and forever and until the day I die  
Tired of being alone, calling you on the  
phone

I'd rather have you here with me  
La La La La La La La La

Hey Baby, I'm missin' you like crazy

La La La La La La La La

Hey Baby, I'm missin' you like crazy

These arms they feel so empty without you here inside

This heart it can't do nothin' without your love supply

Your lips are so delicious, the sweetest ones I've found

These lips they get no lovin' when you're not around  
Tired of being alone, calling you on the  
phone

I'd rather have you here with me  
La La La La La La La La

Hey Baby, I'm missin' you like crazy

La La La La La La La La

Hey Baby, I'm missin' you like crazy  
Just me and my morning coffee  
thinkin' bout how you got me

inside your heart, wherever you are

Baby now don't you worry

I'll come runnin' to you in a hurry

when you reappear, I'll be waiting here

and I'll be singin'...

La La La La La La La La

Hey Baby, I'm missin' you like crazy

La La La La La La La La

Hey Baby, I'm missin' you like crazy  
Missin' you like crazy

Missin' you like crazy
