

# Dream Merchant

## New Birth

Hey, hey, Mr. Dream Merchant  
Everything depends on you, oh yeah  
Hey, hey, Mr. Dream Merchant  
Bring her back to me and make my  
dreams come trueBaby, when I said good-bye to my love  
I didn't mean to make her cry  
I didn't realize of our love  
Now I need her by my sideHey, hey, Mr. Dream Merchant  
Everything depends on you, oh yeah  
Hey, hey, Mr. Dream Merchant  
Bring her back to me and make my  
dreams come true  
You should have told this fool to stop it  
You should have made this blind man  
see  
I've got my pride back into my pocket  
Oh, won't you bring her back to meHey, hey, Mr. Dream Merchant  
Everything depends on you, oh yeah  
Hey, hey, Mr. Dream Merchant  
Bring her back to me and make my  
dreams come trueBaby, baby, baby, yeah  
Hey, hey, Mr. Dream Merchant  
Everything depends on you, oh yeah  
Hey, hey, Mr. Dream Merchant  
Bring her back to me and make my  
dreams come true  
Make 'em come true, yeah, yeah, oh  
Lord, yeah, yeah  
Mr.Dream Merchant, would you please,  
please do me a favor?  
If you, you should happen to see my  
baby somewhere  
Would you please tell I'm waiting with  
open arms  
Would you please make my dreams  
come true?Baby, baby, baby, baby  
Please, please, please, pleaseMr. Dream Merchant  
Everything, everything, everything is on  
you, oh  
Bring her back now, now, now, now,  
now, now  
I need her, I need her, I need her, yeah

yeah yeah yeah  
Bring her back to me
