

Red Red Wine (12" Version)

UB40

Red, red wine, goes to my head,
Makes me forget that I
Still need you soRed, red wine, it's up to you
All I can do, I've done
Memories won't go
Memories won't goI'd have sworn that with time
Thoughts of you would leave my head
I was wrong, now I find
Just one thing makes me forget
Red, red wine, stay close to me
Don't let me be alone
It's tearing apart
My blue, blue heartI'd have sworn that with time
Thoughts of you would leave my head
I was wrong, now I find
Just one thing makes me forgetRed, red wine, stay close to me
Don't let me be alone
It's tearing apart
My blue, blue heart
Red, red wine, stay close to me
Don't let me be alone
It's tearing apart
My blue, blue heart
