Red Red Wine (12" Version)

UB40

Red, red wine, goes to my head, Makes me forget that I Still need you soRed, red wine, it's up to you All I can do, I've done Memories won't go Memories won't goI'd have sworn that with time Thoughts of you would leave my head I was wrong, now I find Just one thing makes me forget Red, red wine, stay close to me Don't let me be alone It's tearing apart My blue, blue heartI'd have sworn that with time Thoughts of you would leave my head I was wrong, now I find Just one thing makes me forgetRed, red wine, stay close to me Don't let me be alone It's tearing apart My blue, blue heart Red, red wine, stay close to me Don't let me be alone It's tearing apart
