

# Dime Piece (feat. Dwele)

J Dilla

AhhhOhh!Ahhh...Find My Dime Piece Tonight  
She Will Be By My Side  
Signed On The Dotted  
Cause Even Good Ones Turn Bad  
And I Aint Bout To Get At (No Body)  
I'll Find My Lady Tonight  
She Will Be My Alibi  
To Keep The Police Off Me But That Aint Right  
But Im A Player TonightUseless For Me To See A Lady  
Unless She Can Be My  
A... N... G-E-L (L-L-L)  
Ahhhh...Lyrics  
This One Looks Nice To Try  
I Like The Way She Fits My Eye  
So Beautiful That Shes Divine  
I Spotted You From Across The Room  
And I Was Diggin Your Moves (Yeah)  
You Looked At Me In A Way That Proved  
That My Eyes Had Did  
What I Wanted Them To Do  
Come Feel My Love When I Move  
On This Dancefloor With You  
I Love Your Ways  
Youve Got Me For Tonight Girl  
So Dont Be Shy, Angel  
I Do Believe Our Times Almost Up  
For This Eyeing Game  
Oh, You Came With Him  
That Means My Time Is Growing Slim  
Cause You Know Ive Got To Find (Find, Find)  
Cause You Know Ive Got To Find Someone As (Ooooh)  
Fine As You To Be My (Oooh)  
Dime To Last A Life Time  
I Hope Imma Meet That Lady To Be  
Im Fed Up With These No Romance Dances  
And These Late Night Creeps  
She Will Be  
The Hottest One From This Picture  
That Keeps My Mind On High  
So Fly, Truely I...  
Cant Leave The Scene  
I Refuse To Leave This Place

Without My Queen  
(Need You To Know That Means Ive Got To Find...)
