

# Right Here Right Now

Ryan Griffin

[Verse 1]

We can think about tomorrow, tomorrow  
Cause it ain't got a thing to do with tonight  
You can lead my down the hall  
And I'll follow  
Watching that t-shirt fall  
Off your shoulder  
It's always on my mind[Bridge]  
You can make an hour feel like a minute  
You can make the whole world stop spinning  
The world ain't the same without your lips on mine

[Chorus]

All we got is right here  
All we got is right now  
Come a little closer  
Let's me hold you with the lights out  
Talking bout' the right place  
The right time  
Skin on skin  
While you're whispering  
All I'm thinking about  
Is Right here  
Right now

[Verse 2]

I can do this forever, and ever  
Girl I never get enough  
Of what you got  
Baby that moon can fall  
No, It don't matter  
Maybe we could just pretend  
Come on in  
Yeah it's worth a shot[Bridge]  
You can make an hour feel like a minute  
You can make the whole world stop spinning  
And I don't wanna miss it[Chorus]

All we got is right here  
All we got is right now  
Come a little closer  
Let's me hold you with the lights out  
Talking bout' the right place  
The right time  
Skin on skin

While you're whispering  
All I'm thinking about  
Is Right here  
Right now  
Falling like stars  
Baby you [?][Bridge]  
All we got is right here  
All we got is right now[Chorus]  
All we got is right here  
All we got is right now  
Come a little closer  
Let's me hold you with the lights out  
Talking bout' the right place  
The right time  
Skin on skin  
While you're whispering  
All I'm thinking about  
Is Right here
