

# Come Find Me (feat. Lykke Li & Romy)

[Emile Haynie](#)

I fall, I fall, deeper than never  
I call, I call, baby come find me  
I fall, I fall, deeper than never  
I call, I call, baby come find me  
Baby come find me,  
Baby come find me,  
Baby come find me,  
Baby come find me,  
Baby come find me,  
Baby come find me...  
Baby come find me,  
Baby come find me,  
Baby come find me,  
Baby come find me...  
Right here, baby come find me,  
Right here, baby come find me.
