Giving Him Something He Can Feel

En Vogue

Many say that I'm too young
To let you know just where I'm coming from
But you will see, it's just a matter of time
My love will surely make you mineWell, I'm livin' in a world of ghetto life
Everyone seem so uptight

But nothin's wrong, it's alright, my man

I like the way we carry on

His love will send me on and on with my man People out there can understandI'm givin' him somethin' he can feel

> To let him know this love is real Givin' him somethin' he can feel To let him know this love is real

This love is real

So much joy for us it seems So much hope for material things

Are they only in my dreams?

And that's exactly why I'm singing this song to you

To let you know that real dreams do come true

You tell me what does it meanLivin' in a world of ghetto life

Everyone is so uptight

Nothin's wrong, it's alright, my man

I like the way we carry on

His lovin' will send me on and on with my man

People out there can you understandGivin' him somethin' he can feel

To let him know this love is real

Givin' him somethin' he can feel

To let him know this love is real

This love is real

Givin' him somethin' he can feel

Givin' him somethin' he can feel

Givin' him somethin' he can feel
