

# Black Lodge

## Anthrax

Worship the ground you barely walk on  
You give of yourself but your angels are gone  
Deny your body is screaming  
But your heart and your soul they're bleeding  
Just to fall asleep is a godsend  
Until your demons appear again I am a witness to your demise  
Your biggest secret is one you  
can't keep  
Lift up your head if you're only asleep  
You try to hold on to reason  
Why can't you see that you're leaving  
My love for you knows no distance  
But it can't fight your resistance  
I am a witness to your demise  
I am the one who saw through the lies  
Give me the one thing you can't give  
Take me to the black lodge where you live  
Give me the one thing you can't give  
Take me to the black lodge where you live  
Deny your body is screaming  
But your heart and your soul they're bleeding  
Just to fall asleep is a godsend  
Until your demons appear again I am a witness to your demise  
I am the one who saw through the lies  
My love has always been blind  
Give me the one thing you can't give  
Take me to the black lodge where you live  
Give me the one thing you can't give  
Take me to the black lodge where you live  
Where you live  
Where you live  
Where you live  
Where you live
