

# Disparate Youth

## Santigold

Don't look ahead, there's stormy weather  
Another roadblock in our way  
But if we go, we go together  
Our hands are tied here if we stay Oh, we said our dreams will carry us  
And if they don't fly we will run  
Now we push right past to find out  
Oh, how to win what they all lost Oh ah, oh ah  
We know now we want more  
Oh ah, oh ah  
A life worth fighting for  
Oh ah, oh ah  
We know now we want more  
Oh ah, oh ah  
A life worth fighting for  
So let them say we can't do better  
Lay out the rules that we can't break  
They wanna sit and watch you wither  
Their legacy's too hard to take Oh, we said our dreams will carry us  
And if they don't fly we will run  
Now we push right past to find out  
Oh, how to win what they all lost Oh ah, oh ah  
We know now we want more  
Oh ah, oh ah  
A life worth fighting for  
Oh ah, oh ah  
We know now we want more  
Oh ah, oh ah  
A life worth fighting for  
In their heads, hedging their bets  
In their eyes it shows  
When the beacon breaks, what then?  
You ask and they don't know  
Oh, tell me that  
I turn my back while the odds all stand beneath me  
And they all said I was misled  
But now the odds all stand beneath me Oh ah, oh ah  
They're frozen to the core  
Oh ah, oh ah  
A life worth fighting for  
Oh, we said our dreams will carry us  
And if they don't fly we will run  
Now we push right past to find out Oh, how to win what they all lost

Oh ah, oh ah  
We know now we want more  
Oh ah, oh ah  
A life worth fighting for  
Oh ah, oh ah  
We know now we want more  
Oh ah, oh ah  
A life worth fighting for  
(We hear them run, but don't hear what you say)  
(Now here we come, can't throw nothing in our way)  
(We hear them run, but don't hear what you say)  
(Now here we come, can't throw nothing in our way)
