

# Alright

## Jamiroquai

I need your love, I need your love  
I need your love, I need your love  
I need your love, I need your love  
I need your love, I need your love  
I need your love, I need your love You give me light  
So tonight, take me there  
I feel your sun start to glow  
And I know it, let me show you That I want your love, I need your touch  
For the rest of our time together, baby  
Come fly with me eternally  
You and me, we were meant to be  
Yeah, hey, alright  
(Right now)  
We'll spend the night together  
Wake up and live forever  
Yeah, hey, alright  
(Right now)  
We'll spend the night together  
Wake up and live forever  
Yeah, hey We got to come together, baby  
It's alright now I see your eyes  
Hold the key to my paradise  
Summer in your smile  
Well, it makes me feel so real  
(So real)  
You tell me things  
And my heart sings to the world  
From islands in the sky  
Take my hand, as one we will stand  
You know it's never never  
To say hello to forever Yeah, hey, alright  
(Right now)  
We'll spend the night together  
Wake up and live forever  
Yeah, hey, alright  
(Right now)  
We'll spend the night together  
Wake up and live forever Yeah, hey, alright  
(Right now)  
We'll spend the night together  
Wake up and live forever  
Yeah, hey, alright

(Right now)  
We'll spend the night together  
Wake up and live forever  
Yeah, hey I need your love  
I need your love  
I need your love I need your touch  
I want your love so much  
I need your touch  
(Need your love, need your love)  
And I want your love so much  
(Need your love, need your love) Do it to me now, now tonight  
(Need your love, need your love)  
We'll spend the night together  
Wake up and live forever Yeah, hey, alright  
We'll spend the night together  
Wake up and live forever  
Yeah, hey, alright  
We'll spend the night together  
Wake up and live forever
