

# Firecracker

Josh Turner

Yeah When I look in her eyes  
It aint no surprise  
Sparks start a flyin like the 4th of July She gets me so hot, my heart starts a pumpin  
When we get to kissin, there aint no stoppin' When it comes to love  
she aint no slacker  
My little darlin is a firecracker When I light the fuse  
I gotta get back quick  
You gotta be careful with a dynamite stick Son of a gun she fun to handle  
And she packs a punch like a roman candle  
She a pack of black cats in a red paper wrapper  
My little darlin is a firecracker  
Chorus:  
We might not ought to take a roll in the hay  
Cause we'd burn the barn down one of these days  
Were a match made in heaven  
And it aint no joke.  
But Id sure I hate to see it go up in smoke We got a good thing going  
And it feels so right  
Shes a firecracker  
Shes the light of my life. She goes off with a great big BANG  
Boys i tell ya its a beautiful thing  
She takes off you better hang on tight Shes a blonde bottle rocket  
In the middle of the night When she makes love shes a Heart attacker  
My little darlin is a Firecracker  
Chrous:  
We might not ought to take a roll in the hay  
Cause we'd burn the barn down one of these days  
Were a match made in heaven  
And it aint no joke.  
But Id sure I hate to see it go up in smoke We got a good thing going  
And it feels so right  
Shes a firecracker  
Shes the light of my life. We got a good thing going  
And it feels so right  
Shes a firecracker  
Shes the light of my life. We got a good thing going And it feels so right  
Shes a firecracker  
Shes the light of my life. We got a good thing going And it feels so right  
Shes a firecracker  
Shes the light of my life. Firecracker  
Firecracker Woo Hoooo Firecracker  
Firecracker BANG Firecracker
