

# Earthquake

## Family Force 5

Get down! I saw shawty dancin' on the floor  
I'm kind of nervous to approach her though  
She's so stylish, like a supermodel  
Should I meet her (Yes, I think you oughta) The needle dropped  
My track was hot  
We began to rock  
Our eyes were locked I love your song!  
Yeah, girl, sing along  
She said "DJ's make my heart ache"  
I said "Baby, watch the place shake like an earthquake"  
Drop that 808  
The walls begin to shake  
It's too much for the club to take  
It's shakin' like an earthquake  
Devastation from the sounds I'm makin'  
And there's no escaping from the bass  
It's shakin' like an earthquake Ten point oh on the Richter scale  
It's shakin' like an earthquake  
Move your tail  
'bout that time my people all were quakin'  
Another ten point oh was in the makin' Like a natural disaster  
Run for the pasture  
Cause the bass will flow  
Take you out like El Niño  
It's rumbling, crumbling, all the way down  
It's tumbling, fumbling, you love that sound  
CAN YOU TURN UP THE BASS?  
Sorry gurl I can't hear in this place  
I HAVE A REQUEST THAT I'D LIKE TO MAKE!  
Well, what you wanna hear gurl? Shake it like an Earthquake? Drop that 808  
The walls begin to shake  
It's too much for the club to take  
It's shakin' like an earthquake  
Devastation from the sounds I'm makin'  
And there's no escaping from the bass  
It's shakin' like an earthquake 10.0 on the Richter scale  
It's shakin' like an earthquake  
Move your tail Ready?! OK! Boom boom, you broke it down, you broke it down, now build it  
up,  
build it up, build it up Boom boom, you broke it down, you broke it down, now shake it up,  
shake it up, shake it up Boom boom, you broke it down, you broke it down, now break it up,  
break it up, break it up, WOOOOOOOO! Drop that 808

The walls begin to shake  
It's too much for the club to take  
It's shakin' like an earthquake  
Devastation from the sounds I'm makin'  
And there's no escaping from the bass  
It's shakin' like an earthquake Shake it on down  
Shake it on down  
Shake it on down  
Move yourself when you hear that sound
