

Don't Save Me

Winona Oak

Never thought that I would grow so old of seeing the gold
Still I never want it to go
Would hold it up to my cold heart Feel the way it used to start up
Take me back, take, take me back
To the way that I was before
Hung before what was to come
Now I'm longing for the way I was Say you, say you will save me
You say you, say you will save me
You say you, say you will save me
You say you, say you will
Take me back, give it up, give it up to me
'Cause I can't go on if your love isn't strong
See I wanna know
Gimme all your love
If you can't hold on, then, baby Baby, don't save me now
(If your love isn't strong)
No, baby, don't save me now All my life, I wasn't trying to get on the highway
I was wondering which way to go
Spending all of my dead time
Leaving all the wake behind, oh
Take me back, take, take me back
To the song, how it used to go, oh-oh
Screaming for what was to come
Now I'm dreaming 'bout the way I was
You say you, say you will save me
You say you, say you will save me
You say you, say you will save me
You say you, say you will Take me back, give it up, give it up to me
'Cause I can't go on if your love isn't strong
See I wanna know
Gimme all your love
If you can't hold on then baby Baby, don't save me now
(If your love isn't strong)
No baby, don't save me now And if I have to beg for your love
(Again and again and again and a-)
Oh, will it ever be enough?
(Again and again and again and a-)
And if I have to beg for your love
(Again and again and again and a-)
Oh, will it ever be enough?
(Again and again and again and a-) No baby, baby, don't save me now
(Again and again and again and a-)

(If your love isn't strong)
No baby, don't save me now
(Again and again and again and a-)
No baby, don't save me now
(Again and again and again and a-)
(If your love isn't strong)
No baby, don't save me now
(Again and again and again and a-)
Don't save me, don't save me
Don't save me now
