## Outkast

{Uh-huh, Uh-huh, Ba-by, Yah-yah, Uh-huh, Yah-yah, Ba-by, Uh-huh,  
Uh-huh, Ba-by, Uh-huh, Yah-yah, Ba-by, Yah-yah, Uh-huh, Uh-huh} {Chorus}  
Ah ha hush dat fuss  
Everybody move to da back of the bus  
Do you wanna bump and sLump wit us  
We da type of people make da club get crunk  
{Chorus} {BIG BOI}  
Many a day has passed, the night has gone by  
But still I find the time to put that bump off in your eye  
Total chaos, for these playas, thought we was absent  
We taking another route to represent the Dungeon family  
Like Grade A, me and and my nigga decide to take the back way  
We stabbin every city when we headed to that bat cave  
A-T-L, Georgia, what we do for ya  
Bull doggin hoes like them Georgetown Hoyas  
Boy you soundin silly, thank my Brougham aint sittin pretty  
Doin doughnuts round you suckas like them circles around titties DAMN we  
We the committee gone burn it down  
But us gone bust you in the mouth with the chorus now {Chorus} x2  
{ANDRE BENJAMIN}  
I met a gypsy and she hipped me to some life game  
To simulate then activate the left and right brain  
Said baby boy you're only funky as your last cut  
You focus on the past your ass'll be a has but  
Thats one to live by or either that one to die to  
I try to just throw it at you determine your own adventure  
Andre, got to her station heres my destination  
She got off the bus, the conversation lingered in my head for hours  
Took a shower kinda sour cause my favorite group aint commin wit it  
But im witcha you cause you probalay goin through it anyway  
But anyhow when in doubt, went on out and bought it  
Cause I thought it would be jammin, but examine all the flawsky-wasky  
Awfully sad and its costly but thats all shit  
BROKE. And I hope I never have to float in that boat  
Up shits creek its week is the last quote  
That I want to hear when Im goin down when all's said and done  
And we got a new joe in town  
When the record playa get skippin and slowin down  
All yawl can say is them niggas earned that crown, but until then. {Chorus} x2  
{Hermonicas}  
(uhh huh uh huh baba yea yea) x10
