

# Outta My Head

[Craig Campbell](#)

I rode around long enough with my windows down  
Let that breeze roll in, carry your perfume out  
I took your number and messages off my phone  
Ah, but you ain't gone Wish I could close my eyes  
And not have to see you smilin' yeah  
Yeah, can't get you outta my head You're dancin' all around it  
Girl, you got me surrounded yeah  
Yeah, can't get you outta my head I got you off of these walls  
I got you out of my bed  
But girl, I'm no better off  
Can't get you outta my head  
Seems like your memory has got a map of my mind  
No matter where I go, you find me every time  
Alone or in a crowd, I hear you whisperin', baby  
And it's drivin' me crazy Wish I could close my eyes  
And not have to see you smilin' yeah  
Yeah, can't get you outta my head You're dancin' all around it  
Girl, you got me surrounded yeah  
Yeah, can't get you outta my head I got you off of these walls  
I got you out of my bed  
But girl, I'm no better off  
Can't get you outta my head Damn you're hard to forget Yeah, wish I could close my eyes  
And not have to see you smilin' yeah  
Yeah, can't get you outta my head  
You're dancin' all around it  
You still got me surrounded yeah  
Yeah, can't get you outta my head I got you off of these walls  
I got you out of my bed  
But girl, I'm no better off  
Can't get you outta my head You're nowhere close to bein' gone  
Outta my head Outta my head  
No, you ain't gone, no, you ain't gone  
Yeah, outta my head
