

Anna Molly

Incubus

A cloud hangs over
This city by the sea
I watch the ships pass
And wonder if she might be Out there and sober
As well from loneliness
Please do persist, girl It's time we met and
Made a mess
I picture your face
At the back of my eyes A fire in the attic
A proof o' the prize
Anna Molly
Anna Molly
Anna Molly
Do do do do dume - do Do do do do dume - do
Do do woh ho oh
A cloud hangs over
And mutes my happiness A thousand ships couldn't
Sail me back from distress
Wish you were here, I'm
A wounded satellite I need you now
Put me back together
Make me right I picture your face
At the back of my eyes
A fire in the attic
A proof o' the prize
Anna Molly
Anna Molly
Anna Molly
I'm callin' your name
Up into the air
Not one of the others
Could ever compare
Anna Molly
Anna Molly
Wait, there is a light
There is a fire
Illuminated attic
Fate, or something better
I could care less
Just stay with me a while
Wait, there is a light
There is a fire

Defragmenting the attic
Fate, or something better
I could care less
Just stay with me a while
I picture your face
At the back of my eyes
A fire in the attic
Proof o' the prize
Anna Molly
Anna Molly
Anna Molly
I'm calling your name
Up into the air
Not one of the others
Could ever compare
Anna Molly
Anna Molly
Anna Molly
Anna Molly
(Wait, there is a light)
(There is a fire)
(Defragmenting the attic)
(Fate, or something better)
(I could care less)
(Just stay with me a while)
Do do do do dume - do
Do do do do dume - do
Doo wohhhhhh
