

# Stargirl Interlude (feat. Lana Del Rey)

## The Weeknd

I had a vision  
A vision of my nails in the kitchen  
Scratching counter tops, I was screaming  
My back arched like a cat, my position couldn't stop you were hitting it  
And I shouldn't cry, but I love it, Starboy  
And I shouldn't cry, but I love it, (I love it), Starboy  
And I shouldn't cry, but I love it, Starboy  
And I shouldn't cry, but I love it, Starboy I just want to see you shine 'cause I know you are a  
Stargirl  
I just want to see you shine 'cause I know you are a Stargirl  
I just want to see you shine 'cause I know you are a Stargirl  
I just want to see you shine 'cause I know you are a Stargirl
