Your Love Is Driving Me Crazy

Sammy Hagar

I don't mind When you act your age It suits me fine That you treat me like a childAnd I can't deny When I'm with you That you step outside Of all those fears locked up inside Your love is driving me crazy Your love just takes me away Your love is driving me crazy It takes me all the wayWhat I like Is what you've got to offer Just my type Don't mind playing on the edge Your love is driving me crazy Your love just takes me away Your love is driving me crazy It takes me all the way, yeahLead me to forbidden doors You know I'm yours Yeah, you got it, yeah, I want it Don't you know it baby?Right on time A tight fit right on the money So sublime Hot, sweet cherries on the vineYour love is driving me crazy Your love just takes me away Your love is driving me crazy It takes me all the way, yeah Your love is driving me crazy Your love just takes me away Your love is driving me crazy Your love just takes me away, oh yeahYour love, your love Your love just takes me away, oh yeah Your love Song Discussions is protected by U.S. Patent 9401941.
