

Boomin

Fetty Wap

1738! Beatin' down your block, Fetty Wap, boomin!
Meet him for my guap, had to bring the tool in
 RGF the squad and we not recruitin'
 My G, hundred zoo, only known for shootin'
Beatin' down your block, Fetty Wap, boomin!
Meet him for my guap, had to bring the tool in
 RGF the squad and we not recruitin'
 My G, hundred zoo, only known for shootin'
 Zoo Gang, we is scorin' like we hoopin'
 Fuckin' with my money, is you stupid?
 Trickin' just like I wasn't usin' loosies
Why? Remember them days, was servin' out my hooptie
 Started from the bottom, hallelujah
Don't come short with my shit, my borough'll shoot yah
 I collect income 6 different ways
 Fetty Wap up, they say that nigga paid
 Look I just stack the cheddar, man the same
Won't let the shit control me, I don't want the fame
 I just want the cash but my hood love me
Finesse, gone for 20 seconds, shit can get ugly
Beatin' down your block, Fetty Wap, boomin!
Meet him for my guap, had to bring the tool in
 RGF the squad and we not recruitin'
 My G, hundred zoo, only known for shootin'
Beatin' down your block, Fetty Wap, boomin!
Meet him for my guap, had to bring the tool in
 RGF the squad and we not recruitin'
My G, hundred zoo, only known for shootin' For my niggas, know I'm mothafuckin' Wap
 Big bands, see the wheels on the body
 Rap full time, juugin' is my hobby
If you ain't my nigga, keep your ass from 'round me
 Smell the dope scent, Zoo, we smoke cut
 Back to back, jet black painted Audis
 OGs from the Zoo hang 'round me
See the stones on my chain? They ain't cloudy
 New Jersey niggas'll turn up at your party
That bitch you was with chugs Remy just like a hobby
 New Jersey niggas'll turn up at your party
That bitch you was with chugs Remy just like a hobby Beatin' down your block, Fetty Wap,
 boomin!
Meet him for my guap, had to bring the tool in
 RGF the squad and we not recruitin'

My G, hundred zoo, only known for shootin'
Beatin' down your block, Fetty Wap, boomin!
Meet him for my guap, had to bring the tool in
RGF the squad and we not recruitin'
My G, hundred zoo, only known for shootin'Boomin
