

# Sugar Daddy

## Pistol Annies

"Sugar Daddy"  
There ain't a damn man in Dallas  
Who wouldn't put a ring on my hand  
Red dirt queen of the palace  
I'm running through 'em like a water in can  
My sugar daddy's got a pool in the back  
Got a rifle in the rack  
Of his Cadillac drivin' me crazy  
My sugar daddy's got diamonds in his watch  
Got a boat on the dock  
'Cause a-why not, I'm his lady  
Mmm, give me some sugar daddy  
There ain't a horse in all of Kentucky  
That I couldn't saddle up and ride  
I'm bettin' on the one with the heartache  
I'm gonna break him in good tonight  
My sugar daddy's got chrome on his bike  
He's got bourbon on ice  
He's a white knight drivin' me crazy  
My sugar daddy's got a lift kit on his truck  
He's as wild as a buck  
And he thanks God, I'm his baby  
Give me some sugar daddy  
I can come down from the mountain  
I can leave 'em high on the hope  
I'll let 'em drink from the fountain  
And leave 'em one more like a boss  
Yeah my sugar daddy's got the whole back forty  
With the will to afford it  
And he's top-shelf drivin' me crazy  
My sugar daddy's got a rhinestone suit  
Got a snake in his boot  
A guitar man, he persuades me  
Give me some sugar daddy  
If you want them finer things  
(Give me some sugar daddy)  
If you want them diamonds rings  
(Give me some sugar daddy)  
Come on darling, do your thing  
(Give me some sugar daddy)  
Give me some sugar daddy  
Give me some sugar daddy
