

The Puppy Song

Harry Nilsson

Dreams are nothing more than wishes
And a wish's just a dream you wish to come true
If only I could have a puppy
I'd call myself so very lucky
Just to have some company
To share a cup of tea with me
I'd take my puppy everywhere
La la la la I wouldn't care
Then we'll stay away from crowds
With signs that say no dogs allowed
Oh we... I know he'd never bite me
We... I know he'd never bite me
If only I could have a friend
Who sticks with me until the end
And walk along beside the sea
To share a bit of moon with me
I'd take my friend most everywhere
La la la la I wouldn't care
And we'll stay away from crowds
With signs that say no friends allowed
Oh we... we'd be so happy to be...
We... we'd be so happy to be together
But dreams are nothing more than wishes
And a wish's just a dream you wish to come true
Dreams are nothing more than wishes
(Your wish will come true)
And a wish's just a dream (Your wish will come true)
You wish to come true (Your wish will come true)
