

# Brave New Girl

## Britney Spears

She's gonna pack her bags  
She's gonna find her way  
She's gonna get right out of this  
She don't want New York  
She don't want L.A.  
She's gonna find that special kiss  
She don't want no sleep  
She don't want no high  
Oh, like peaches 'n' cream  
She's gonna wish on stars and touch the sky  
Ah, you know what I mean  
She wants a good time  
No need to rewind  
She needs to really really find what she wants  
She lands on both feet  
Won't take a back seat  
There's a brave new girl  
And she's comin' out tonight  
She's gonna step outside  
Uncover her eyes  
Who knew she could feel so alive  
Her M.O.'s changed  
She don't wanna behave  
Ain't it good to be a brave girl tonight  
Tonight, it's alright  
A brave girl tonight  
So she met this man  
He was kinda rough  
He said, girl, whatcha lookin' for  
She said, I don't know  
I go with the flow  
He said, let's get on the floor  
He said, you look real cute with your low ride jeans  
And your pink little baby tee  
Let's get a room, girl  
Come and ride with me  
She wants a good time  
No need to rewind  
She needs to really really find what she wants  
She lands on both feet  
Won't take a back seat  
There's a brave new girl  
And she's comin' out tonight  
She's gonna step outside  
Uncover her eyes  
Who knew she could feel so alive

Her M.O.'s changed  
She don't wanna behave  
Ain't it good to be a brave girl tonight  
Tonight, it's alright  
A brave girl tonight  
Tonight, it's alright  
A brave girl tonight  
I must keep on moving  
Who knew she could feel so alive  
She's gonna step outside  
Uncover her eyes  
Who knew she could feel so alive  
Her M.O.'s changed  
She don't wanna behave  
Ain't it good to be a brave girl tonight  
Tonight it's alright  
A brave girl tonight  
Tonight, it's alright  
A brave girl tonight  
A brave girl tonight  
A brave girl tonight
