

# Live It Up

## Airbourne

Lets go! Oh Yeah!  
Spent all of my life breaking all the rules  
Stepping outta line, the streets are my school  
Can't get enough of a good time  
Gonna live it up, while I'm a still alive I'm a hell raiser, risk taker, full speed ahead  
Till I'm dead in the fast lane  
Live wire, wild fire  
I'd rather burn up in flames then fade away  
You gotta live it up  
You gotta live it up  
You gotta hit 'n run  
You gotta live it up  
The devil may care, but I don't give a damn  
To hell with reason, it's all a scam  
You got the invitation, I got the booze  
Life's a vacation when there's nothing to lose I'm a hell raiser, risk taker, full speed ahead  
Till I'm dead in the fast lane  
Live wire, wild fire  
I'd rather burn up in flames then fade away  
You gotta live it up  
You gotta live it up  
You gotta hit 'n run  
You gotta live it up  
Ah yeah  
Run the red light  
Sleep when I die  
Don't you ever tell me to stop  
You gotta live it up  
You gotta live it up  
You gotta live it up  
I'm a hell raiser, risk taker, full speed ahead  
Till I'm dead in the fast lane  
Live wire, wild fire  
Live it up  
You gotta live it up  
You gotta hit 'n run  
You gotta live it up  
Oh live it up  
You gotta live it up  
You gotta hit 'n run  
You gotta live it u?  
I'm a hell raiser

Run the ref light  
Sleep when I die  
Don't you ever tell me to stop  
You gotta live it up
