

# Two Bodies (feat. Emma Louise)

## Flight Facilities

Just two bodies  
Just two bodies I've been so ready to dim my mind  
Come over or not, I've  
Been so ready to dim my mind  
Your body a drug, for mine  
Two bodies moving in  
Time and space to try and heal me  
I know what I want, so come over and  
Hold me, I won't ask for anything more  
I'm hurting, use now when I'm vulnerable  
It helps me fake some love for a little while  
I know what I want, so take advantage of me  
You're closed, you're a book. No lines  
Can't read you if I try  
And if that's the way you want it  
That's fine I'll just close my eyes and  
Try to ignore you, a free ride for you to  
Just two bodies  
Just two bodies Hold me, I won't ask for anything more  
I'm hurting, use now when I'm vulnerable  
It helps me fake some love for a little while  
I know what I want, so take advantage of me  
Hold me, I won't ask for anything more  
I'm hurting, use now when I'm vulnerable  
It helps me fake some love for a little while  
I know what I want, so take advantage of me  
I know what I want, so take advantage of me  
Hold me, I won't ask for anything more  
I'm hurting, use now when I'm vulnerable  
It helps me fake some love for a little while  
I know what I want, so take advantage of me
