Two Bodies (feat. Emma Louise)

Flight Facilities

Just two bodies Just two bodiesI've been so ready to dim my mindCome over or not, I've Been so ready to dim my mind Your body a drug, for mine Two bodies moving in Time and space to try and heal me I know what I want, so come over andHold me, I won't ask for anything more I'm hurting, use now when I'm vulnerable It helps me fake some love for a little while I know what I want, so take advantage of me You're closed, you're a book. No lines Can't read you if I try And if that's the way you want it That's fine I'll just close my eyes and Try to ignore you, a free ride for you toJust two bodies Just two bodiesHold me, I won't ask for anything more I'm hurting, use now when I'm vulnerable It helps me fake some love for a little while I know what I want, so take advantage of meHold me, I won't ask for anything more I'm hurting, use now when I'm vulnerable It helps me fake some love for a little while I know what I want, so take advantage of me Hold me, I won't ask for anything more I'm hurting, use now when I'm vulnerable It helps me fake some love for a little while I know what I want, so take advantage of me Song Discussions is protected by U.S. Patent 9401941.
