## Hands

If I could tell the world just one thing It would be that we're all ok and not to worry 'cause worry is wasteful and useless in times like these I won't be made useless I won't be idle with despair I will gather myself around my faith For light does the darkness most fearMy hands are small, I know But they're not yours, they are my own But they're not yours, they are my own and I am never brokenPoverty stole your golden shoes But it didn't steal your laughter and heart ache came to visit me But I knew it wasn't ever after We'll fight, not out of spite For someone must stand up for what's right 'Cause where there's a man who has no voice There ours shall go singingMy hands are small I know But they're not yours, they are my own But they're not yours, they are my own and I am never brokenIn the end only kindness matters In the end only kindness mattersI will get down on my knees, and I will pray I will get down on my knees, and I will pray I will get down on my knees, and I will prayMy hands are small I know But they're not yours, they are my own But they're not yours, they are my own and I am never broken My hands are small I know But they're not yours, they are my own But they're not yours, they are my own and I am never broken We are never brokenWe are God's eyes God's hands God's mind We are God's eyes God's hands God's heart We are God's eyes God's hands God's eyes We are God's hands We are God's hands
