

Pass a Beer

Jake Owen

What's up y'all?[Chorus:]
Looks like we're all riding on right here
Pass a beer,
One more long day now on the coast
Is clear, pass a beer.Wake up, the guy on the radio
Says it's time to get
We gotta go
We all got to do what we all got to do
To get to the part where we get the cut loose.
Cut loose and hang where everybody is
On the lake, where all in bikini lean
Where ain't worries, no bumers
Where our state on my state, we're stuck on the summer
[Chorus:]
Looks like we're all riding on right here
Pass a beer.
One more long day now on the coast
Is clear, pass a beer.Hey, everybody listen
Everybody out there, anybody listen
I hold 'em up
I'm on a mission
Please, pass in and push to the break
One two three, everybody take a drink![Chorus:]
Looks like there's a party up in here,
Pass a beer.
She looks hot but my vision
Ain't cute clear, pass a beer.
Oh pass a beer
Hook a brother up!
Back in the trailer, hook on a truck
Unload the boat, and unlock the girls
Hey, I don't know about the rest of the world, but...[Chorus: X2]
Looks like we're all riding on right here
Pass a beer.
One more long day now on the coast
Is clear, pass a beer.
(Maybe two, or three, four five...)
