

# All Your Sisters

## Mazzy Star

And I knew I was close to you  
And I will  
Catch me flying in the sun  
Catch me drinking of your wine I'm gonna put something in you  
Make the devil feel surprised  
All your sisters wanna fly  
Around my golden sky  
Around my golden sky Just because you feel, hollow inside it's real  
Just because you feel, hollow inside it's real  
I'm gonna put something in you  
Make the devil feel surprised  
Make the devil feel surprised  
And I knew I was close to you  
And I knew  
Catch me flying in the sun  
Catch me drinking of your wine
