

How To Be Lonely (Sam Feldt Remix)

Rita Ora

He told me that he loved me more than most
That he could be the one to take me home
(But am I good enough to) Be the everything that he could want? He told me that he loved me
more than most Been lookin' for a non-material love
Soon as I find it, I'll be wreckin' it up (break it up)
Like I ain't made a mess here often enough
Not enough, not enough, not enough, not enough, no, no, no Will no one ever show me how to
be lonely?

End up on my own almost every night
I must be the only
Feeling like losing you'll show me how to be lonely
Ain't nobody can hold me like the way you hold me
End up on my own almost every night
I must be the only
Feeling like losing you'll show me how to be lonely
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh

Feeling like losing you'll show me how to be lonely (But am I good enough to) Tell you that I
love you more than most?

That you could be the one to take me home?
(But am I good enough to) To give you everything that you will hold?
In truth, I'm being honest, I don't know Been lookin' for a non-material love
Soon as I find it, I'll be wreckin' it up (break it up)
Like I ain't made a mess here often enough
Not enough, not enough, not enough, not enough, no, no, no Will no one ever show me how to
be lonely?

End up on my own almost every night
I must be the only
Feeling like losing you'll show me how to be lonely
Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Oh, oh, oh

Feeling like losing you'll show me how to be lonely But am I good enough to-
Hmm (be lonely)

Yeah, yeah Will no one ever show me how to be lonely?
End up on my own almost every night
I must be the only
Feeling like losing you'll show me how to be lonely
Ain't nobody can hold me, I like the way you hold me
End up on my own almost every night
I must be the only

Feeling like losing you'll show me how to be lonely Oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh (lonely)

Oh, oh, oh

Feeling like losing you'll show me how to be lonely

Oh, oh, oh, oh, oh (be lonely)

Oh, oh, oh, oh, oh (be lonely)

Oh, oh, oh

Feeling like losing you'll show me how to be lonely
