## Bon Jovi & Jennifer Nettles

Bon Jovi & Jennifer Nettles Do What You Can[Verse 1: Bon Jovi & Jennifer Nettles]

Tonight they're shutting down the borders

And they boarded up the schools

Small towns are rollin' up their sidewalks

One less paycheck comin' through

I know you're feelin' kinda nervous

We're all a little bit confused

Nothing's the same, this ain't a game

We gotta make it through[Verse 2: Jennifer Nettles & Bon Jovi]

As we wave outside the window

Older loved ones stay inside

Moms and babies blowin' kisses

May be saving someone's life

They had to cancel graduation

It ain't fair to Skype the prom

Our kids sit home in isolation

TV news is always on

[Chorus: Bon Jovi & Jennifer Nettles]

When you can't do what you do

You do what you can

This ain't my prayer, it's just a thought I'm wanting to send

'Round here, we bend but don't break

Down here, we all understand

When you can't do what you do

You do what you can

[Verse 3: Jennifer Nettles & Bon Jovi]

The chicken farm from Arkansas brought workers PPE

Not before five hundred more had succumbed to this disease

Honest men and honest women workin' for an honest wage

I got a hundred point one fever, and we still got bills to pay

[Chorus: Bon Jovi & Jennifer Nettles]

When you can't do what you do

You do what you can

This ain't my prayer, it's just a thought I'm wanting to send

'Round here, we bend but don't break

Down here, we all understand

When you can't do what you do

You do what you can[Bridge: Bon Jovi, Jennifer Nettles, Bon Jovi & Jennifer Nettles]

They built a hospital on East Meadow in Central Park last night

Doctors, nurses, truckers, grocery store clerks manning the front lines

I saw a Red Cross on the Hudson

They turned off the Broadway lights

Another ambulance screams by (Screams by)  
There by the grace of God, go I[Verse 4: Bon Jovi & Jennifer Nettles]  
Although I'll keep my social distance  
What this world needs is a hug  
Until we find the vaccination  
There's no substitute for love  
So love yourself and love your family  
Love your neighbor and your friend  
Ain't it time we loved a stranger?  
They're just a friend you ain't met yet  
Oh[Chorus: Bon Jovi & Jennifer Nettles]  
When you can't do what you do  
You do what you can (Do what you can)  
This ain't my prayer, it's just a thought I'm wanting to send  
'Round here, we bend but don't break  
Down here, we all understand  
When you can't do what you do  
You do what you can  
When you can't do what you do  
You do what you can
