

# I'm Doin' Alright

## Van Zant

Written by Rivers Rutherford, Donnie Van Zant and Johnny Van Zant. Whoop! I got a spot in the country.

I got a dog in the yard.  
I got a beat-up Chevy:  
Runs kinda rough but she starts.  
I got my Granddaddy's shotgun:  
I can shoot pretty good.  
I got a nice little garden of weeds,  
Tucked back up in the wood. An' I'm doin' all right, livin' my life:  
You got yours an' I got mine.  
Yeah, it may not look like much to you,  
But it's simple an' it suits me fine.  
Yeah, the sound of the rain an' a lonely old train:  
Listen to that engine whine.  
'Cause I am what I am an' I sleep good at night,  
An' I'm doin' alright.  
I got a front porch for pickin',  
I got a Nice ol' guitar.  
I got some lightnin' for sippin':  
I've had about a jar.  
I got a pretty old lady,  
She's good at stretchin' a dime.  
In this little corner a-heaven mister,  
We have a helluva time. An' I'm doin' all right, livin' my life:  
You got yours an' I got mine.  
Yeah, it may not look like much to you,  
But it's simple an' it suits me fine.  
Yeah, the sound of the rain an' a lonely old train:  
Listen to that engine whine.  
Yeah, I am what I am an' I don't give a damn,  
An' I'm doin' alright. Instrumental Break.  
All the rats in the city,  
Are livin' out of a box.  
They look down their nose, at my life, I suppose,  
An' I just laugh my country ass off. Yeah, I'm doin' all right, livin' my life:  
You got yours an' I got mine.  
Yeah, it may not look like much to you,  
But it's simple an' it suits me fine.  
Yeah, the sound of the rain an' a lonely old train:  
Listen to that engine whine.  
'Cause I am what I am an' I sleep good at night,  
An' I'm doin' alright.

Yeah, I'm doin' alright.
