

The Kiss of Kathleen Turner

Falco

Train sounds and coughing
I always take the 7: 30 AM train
Going to Brasil City
Well, at this hour of the day,
I'm not too well humored
'Cause life doesn't show any pity
You're always complaining 'bout yourself
And putting things down in the world
Just take a good look at Kathleen Turner
Now there's one heck of a girl I've been to hell and back but I'm alright Jack
Now I know what love is about
Under the seven moons
I made a solemn vow
I need the kiss of Kathleen Turner right now
I need the kiss of Kathleen Turner right now
Smack! In the middle
Female voice on telephone:
"Oh it's me, I know it's late
But I just had to call you
I'll be over real soon"
Male voice: "Kathleen Kathleen" "Is this a dream, or is it real
Is this really happening to me
Or is this just fantasy?
In this world there's only one woman
Who can make my dreams my dreams come true
And that woman Kathleen
It's you Standing on the corner watching all the girls go by
He wants a kiss
Not just one, I want lots of kisses
He wants a kiss
Standing on the corner watching all the girls go by
He wants a kiss
Hallelujah, he's in love
Hallelujah, glory, glory Issos

Tschernoby! Kathleen, can you hear me babe
kathleen, do you know what I'm talking about
I'm just talking about
Not the first kiss of my life
I'm talking about ... our planet
... Kathleen!
