

# All Over

## Tiwa Savage

Baby Fresh on the beat and it's killing them all of course  
It's killing them all of course Make we scatter this place tonight  
Dance and sweating like say na fight  
We must to settle this thing tonight (yeah)  
Come let us catch some feelings for night eh  
And if you tell me say make I bend low (bend low, bend low)  
I no go waste time but to do like so (bend low, bend low)  
Iba di mi jo ibadi mi jo disco eh eh eh  
This loving loving no be chop and go eh  
Na because of you wey I get goosebumps  
All over, all over  
This feeling got me falling  
All over, all over  
E get as the something dey do me for body oh  
All over, all over  
I make you make we spend this money oh  
All over, all over Na because of you wey I get goosebumps  
All over, all over  
This feeling got me falling  
All over, all over  
E get as the something dey do me for body oh  
All over, all over  
I make you make we spend this money oh  
All over, all over  
This one na Julie Julie and Romeo  
Original ogbongolo bo bo oh (bo bo bo bo bo bo)  
Say na me wey dey make am shokur oh  
Love me jeje love me tender  
And if you tell me say make I bend low (bend low, bend low)  
I no go waste time but to do like so (bend low, bend low)  
Iba di mi jo ibadi mi jo disco eh eh eh  
This loving loving no be chop and go Na because of you wey I get goosebumps  
All over, all over  
This feeling got me falling  
All over, all over  
E get as the something dey do me for body oh  
All over, all over  
I make you make we spend this money oh  
All over, all over Na because of you wey I get goosebumps  
All over, all over  
This feeling got me falling  
All over, all over

E get as the something dey do me for body oh  
All over, all over  
I make you make we spend this money oh  
All over, all over And my baby for life (for life, for life)  
I wanna wake up by your side (for life, for life)  
Do some crazy things for life (for life, for life)  
Na me and you for life (for life, for life) Because of you wey I get goosebumps  
All over, all over  
This feeling got me falling  
All over, all over  
E get as the something dey do me for body oh  
All over, all over  
I make you make we spend this money oh  
All over, all over  
Na because of you wey I get goosebumps  
All over, all over  
This feeling got me falling  
All over, all over  
E get as the something dey do me for body oh  
All over, all over  
I make you make we spend this money oh  
All over, all over
