

Gossip

Ben Kweller

Everybody hears
What they wanna hear
Make 'em feel so big
Secrets in their ear Gossip gonna get ya down
Ya can't stop it
Flyin' through the town It's hard to find a friend that you can talk to
You can count on me
I'll stand beside you
Gossip gonna get ya down
Ya can't stop it
Flyin' through the town Try so hard to do what' right
Turn around and it comes to bite
Whoah-oh-oh Gossip . . .
I'll talk to you, you can talk to me
Don't go to them and speak for me
Woah-oh, the messenger ain't what you should be
Why do you feel the need? It ain't pretty Thought that we were tight
Proved that I was wrong
It's hard to find a friend that you can count on Gossip gonna get ya down
Ya can't stop it
Flyin' through the town
Now it hurts when I see your face
It's the kind that you can't erase.
Woah-oh-oh Gossip . . .
I trusted you and you trusted me
Now I can't tell you anything
Woah-oh the messenger ain't what you should be
Why did you do this to me? It ain't pretty Gossip gonna get ya down
Ya can't stop it
Flyin' through the town
