

# I'm a Man

## Black Strobe

Now when I was a little boy  
At the age of five  
I had something in my pocket  
Keep a lot of folks alive  
Now I'm a man  
Made twenty one  
You know baby  
We can have a lot of fun  
I'm a man  
I spell it M A N  
All you pretty women  
Stand in line  
I can make love to you baby  
In an hour's time  
I'm a man  
Spelt M A N I'm going back down  
To Kansas too  
Bring back the second cousin  
Little John the conquadoo  
I'm a man  
Spelt M A N  
The line I shot  
Will never miss  
The way I make love to them  
They can't resist
