

# Can't Get Over (Dave Ramone Remix)

## September

You...  
Don't wanna hear your name  
Don't wanna see your smile  
'Cause baby, I'm still crying  
And go, it's time for you to get out  
I'm sick of standing my ground  
'Cause I just stand up running  
And I go to sleeping believing in tomorrow  
But I wake up screaming, halfway through the night  
You know I can't get over  
And I don't know why  
You know I can't get over  
No matter how I try  
And I don't know why  
We...  
Will always be the same  
You say it's time for a change  
But I can't see one coming  
So I climb out of the darkness of your lovin'  
But I end up falling back into your arms  
You know I can't get over  
And I don't know why  
You know I can't get over  
No matter how I try  
And I don't know why  
From beginning to end once again  
Right back to where we started  
I know, I'm right  
We were wrong all along  
You know I can't get over  
And I don't know why  
You know I can't get over  
No matter how I try  
You know I can't get over  
And I don't know why  
You know I can't get over  
No matter how I try  
And I don't know why  
You know I can't get over
