

All the Way

Timeflies

First time I saw you
I knew right away
Made up my mind
You would be mine someday
You know I need you
So don't turn away
'Cause at the end of the day I'll be alright
Still I'm praying that you change your mind
I'll be okay (I'll be okay)
'Cause you'll come around eventually
Ah He-he-hey!
When I love someone I'm lovin' all the way
He-he-hey!
You know I'm the one to take you all the way
I know you hold back
But just let it go
'Cause I just won't stand to watch you walk alone Don't be afraid
You're not on your own
As long as you know
We'll be alright Still I'm praying that you change your mind
I'll be okay 'Cause you'll come around eventually
Ah-he-he-hey!
When I love someone I'm lovin' all the way
He-he-hey!
You know I'm the one to take you all the way
(O-oh, oh)
(O-oh, oh)
(O-oh, oh)
(O-oh, oh)
I told you
When I love someone I'm lovin' all the way
He-he-hey! (He-he-hey)
You know I'm the one to take you all the way
He-he-hey! (O-oh, oh)
When I love someone I'm lovin' all the way
He-he-hey! (O-oh, oh)
You know I'm the one to take you all the way
(Hey, yeah) O-oh, oh (yeah!)
Yeah! (E-eh!) Ha! (O-oh, oh)
Yeah, oh, oh
You know I'm the one to take you all the way!
(Yeah.)
