

B2U (feat. Ian Everson)

Boombox Cartel

I'm so out of my way
I can see for miles and miles
And don't know what you're doing to me
'Cause I aint been around in a while

I found a way
I found a way
I found a way back to you
I found a way
I found a way
I found a way back to you

(Back to you)

Back to

Back to

Back to you

Back to you

I'm so out of my way
I can see for miles and miles
And don't know what you're doing to me
'Cause I aint been around in a while

I found a way
I found a way
I found a way back to you
I found a way
I found a way
I found a way back to you

(Back to you)

Back to

Back to

(Back to you)

(Back to you)
